*The mission of the American College
of Cardiology and the American
College of Cardiology Foundation
is to transform cardiovascular care
and improve heart health.*

Monday, May 02, 2016

Dear Dr. Sosa,

The American College of Cardiology (ACC) is privileged to announce that the Peru Chapter of the ACC has been approved officially by the ACC Board of Trustees at our meeting in Washington DC on May 2th, 2016. We thank you for your collective drive to make this Chapter a reality and for submitting all of the appropriate materials from your society. We are excited about the many opportunities for strengthening collaboration among our cardiology societies and between our nations to improve heart health. We greatly look forward to officially launching the Chapter at an appropriate future venue.

In the coming months you will receive information about specific projects and benefits to international Chapters, such as the establishment of a Peru Chapter web page on ACC.org, joint educational sessions, among many others. We encourage you and the Peru ACC Chapter to explore areas where increased engagement with the College is of interest to all, and to let us know where we can add value to this relation.

The next step in the process will be to select a Chapter Governor that will serve as a member of the ACC Assembly of International Governors. The Governor shall serve for the number of terms outlined in the Chapter Bylaws, which are usually drafted in the first year of launch.

Congratulations on being the newest chapter of the ACC. We look forward to working closely together and in unison. You will soon see announcements about the formation of your chapter in *Cardiology* magazine, on the homepage and on the international pages of cardiosource.org. If you have any further questions regarding your chapter or ACC chapter activities, please do not hesitate to contact Neal Kovach of the International Affairs team at nkovach@acc.org.

Richard A. Chazal, MD, FACC
President, American College of Cardiology

Daniel Jose Piñeiro, MD, FACC
Chair, Assembly of International Governors
